

**Pracau S.A.**

Raw materials for the rubber industry

WELCOME

# ABOUT US

We're a family business made up by wide experienced professionals in importing and distributing raw materials for the rubber, latex and related products. Founded in 1977, we have nearly 40 years of experience that guarantee our commitment to exceed the expectations of each of our clients.

# MISSION

Be regional leaders in the importation and distribution of raw materials for the rubber industry, maintaining high quality standards, advanced technology and constant innovation, satisfying the particular needs of each client.

# VIEW

Setting our sights on the future, we dedicate our experience and efforts to continue extending our marketing area, both nationally and internationally, always keeping our philosophy of quality and customer satisfaction to keep PRACAU S.A. as a reliable and recognized reference in our business.

# QUALITY

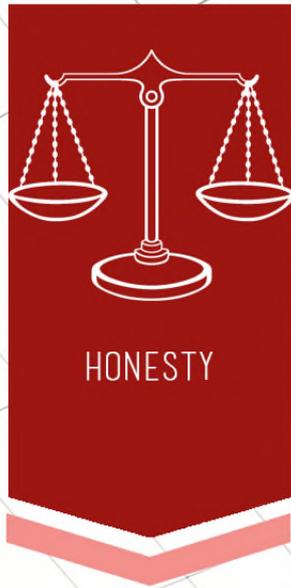

Safety, quality and efficiency are the fundamental values for PRACAU S.A. We have high quality standards that we maintain over time. That's the essential value in all our processes.

# INNOVATION

Our four decades in the business and the variety of our products reflects our tenacious commitment with the innovation and continuous improvement of the products we offer to all our customers.
